

CAREERS IN "INFORMATION AND COMMUNICATION TECHNOLOGY"

Go to : <http://www.jobbank.gc.ca/home-eng.do?lang=eng>

INSTRUCTIONS:

There is a green "Explore Careers" area of this page. Select this option.

STEP 1

IF YOU KNOW WHAT CAREERS YOU WANT TO SEARCH:

- Click the "Occupation" option in the dropdown list. ("Occupation" is another word for "career".) Type in the specific career you are interested in around Information Technology.
- Make sure to put a city in New Brunswick, or a city in which you would want to live in Canada. Then click the "Search" button to find out the available IT jobs and more details for the specific careers.
- A list of available jobs in your chosen career field will be displayed. If you click on one and select "View report" it will provide detailed information on all of the jobs.

IF YOU DON'T KNOW WHAT CAREER IS A MATCH FOR YOU:

- Click the "Occupation" option in the dropdown list. Then, type "Information Technology" in the "Occupation" field and type in Moncton, NB (or another city in which you would like to live in Canada. Then click the "Search" button to find out the available IT jobs and more details for the specific careers.
- A list of available jobs in your chosen career field will be displayed. If you click on one and select "View report" it will provide detailed information on all of the jobs.

STEP 2

- So now you have a career (or small number of careers), then you need to find out these things and give the following information (on paper or digitally):
- Bring up a report on 3 different available careers in your chosen Canadian city. You need to type up this information in Microsoft word:
 - On the JOBS tab, it shows how many jobs are listed right now in this category in your chosen area.
 - On the WAGE tab, it shows the median wage (\$/hour). If you click on the Wage tab, you can find the wage range, including Low, Median and High.
 - On the OUTLOOK tab, it shows 1 star, 2 stars, or 3 stars. The more stars, the more job postings there are for this job in your chosen area.
 - On the EDUCATION & JOB REQUIREMENTS tab, it shows the preparation you need to do before you can apply for this job.

STEP 3

- When you have completed this for 3 jobs, then you are ready to present this information to your teacher and to the class.
